# A Cut Above the Rest

Parcel Pro offers world-class shipping at discounted pricing

Finding an insured shipping solution can be daunting. What's really included under all of these "great" coverage options? Is there a right price for high quality coverage? Luckily the partnership between MJSA and Parcel Pro makes this easier: Members have access to world-class shipping services at discounted pricing, including 50 percent off next-day air and up to 44 percent off all international UPS shipments. But the perks of this partnership go far beyond great discounts.

## It's All About the Experience...

Parcel Pro has over 20 years' experience with insured shipping solutions for the jewelry industry, and its large network allows it to expand its services beyond what other providers can offer. Parcel Pro offers customers a choice of shipping with UPS or FedEx. And Parcel Pro's enhanced security relationship with UPS has reduced losses and supported faster recovery. When customers need to schedule a pickup, UPS provides services free of charge through its reliable security network. Parcel Pro's profound understanding of the jewelry industry ensures your hard-to-replace items are delivered on time, intact, and at an affordable price.

## ...and the Expertise.

A premier shipping partner, Parcel Pro works with MJSA members to provide guidance and best practices for packaging shipments. Successful deliveries begin with the right materials and packaging procedures. Not to mention "smart" labeling, which optimizes proper handling throughout transportation. Parcel Pro's quality shipping and packaging expertise are powerful advantages that MJSA members enjoy all year long.

Throughout a package's transit, Parcel Pro's automated security protocols mitigate chances of loss, damage, or theft. Customers can trust their packages will stay clear from high risk areas or delivery complications with address rerouting and verification. And Parcel Pro's tracking capabilities also monitor potential
